

Upcoming Events

Dear Parents,

This upcoming events sheet highlights important dates throughout the month. Occasionally we will be asking for parent participation. Any of those requests will be made on this sheet. Thank you in advance for your cooperation and participation.

Feb 6~ Please have your child bring in a medium or large gift bag for his/her valentine's. This bag should be plain with no decorations.

Feb 7~ Heart Project Due. Please discuss with your child what they love. Find and attach these items to the heart that was sent home. Your child will present the project to their friends!

Feb 14~ We will be celebrating Valentine's day during the morning. Please have your child bring their valentines in to share. The valentines should be left blank with only your child's name. This makes it much easier to pass out. We have 23 students.
